7 BRANDON LAU,
8 Plaintiff,
9 v.
10 ALEJANDRO MAYORKAS,
11 Defendant.

Case No. 21-cv-04756-TLT (TSH)

DISCOVERY ORDER

Re: Dkt. Nos. 133, 134, 135, 136, 137, 139,
140, 141, 142, 143, 144, 145, 146

12
13 Plaintiff has filed 13 motions to quash. ECF Nos. 133-37, 139-46. He filed all of them in
14 violation of the undersigned's Discovery Standing Order, which says: "Upon referral from a
15 District Judge or upon the development of an impasse with respect to discovery in a pending case
16 assigned to Judge Hixson, no motions to compel or other motions shall be considered. Instead, the
17 parties must first meet and confer in a good faith effort to resolve their dispute informally. An
18 exchange of written communications does not satisfy the meet and confer requirement."
19 Following a meet and confer, if the parties are unable to resolve their dispute, they may either
20 request a telephonic conference or file a joint discovery letter brief not to exceed five pages. For
21 the letter brief, the parties must attest that they met and conferred in good faith to resolve their
22 disputes.

23 All of these motions violate the prohibition on discovery motions. In addition, in none of
24 the motions to quash does Plaintiff attest that he met and conferred with Defendant, and for 12 of
25 them, the Court sees no indication that any meeting and conferring happened. In ECF No. 135,
26 Plaintiff says that he communicated to Defendant his unavailability for a deposition on September
27 11, 2024, and that he needed an accommodation under the ADA, so there was at least some
28 meeting and conferring with respect to that motion. However, the undersigned's Discovery

1 Standing Order says that an exchange of written communications does not satisfy the meet and
2 confer requirement, and there is no indication that Plaintiff spoke with defense counsel about his
3 deposition. Plaintiff is wholesale dumping discovery disputes on the Court without making any
4 effort (in most cases) or a sufficient effort (in one case) to resolve them. That's not acceptable.
5 He also needs to raise his discovery disputes in the proper way – either in a telephone conference
6 for straightforward disputes or in a joint discovery letter brief for more complicated disputes.

7 In response to Plaintiff's motions, Defendant agrees to withdraw the subpoenas at issue in
8 ECF Nos. 134 & 139-46. ECF No. 152 at 7. Accordingly, the Court **DENIES** the motions in
9 ECF Nos. 134 & 139-46 as moot. The Court **DENIES** the motions at ECF Nos. 133, 135, 136 and
10 137 for failure to adequately meet and confer and failure to comply with the undersigned's
11 Discovery Standing Order.

12 **IT IS SO ORDERED.**
